SCHEME FOR
PAYMENT OF PENSIONS
OF
PENSIONERS
OF THE
GOVERNMENT OF GOA
BY
PUBLIC SECTOR BANKS
PREFACE

The Scheme for payment of pension to the pensioners of the then Union Territory of Goa, Daman and Diu, through Public Sector Banks was initially introduced with effect from 1-11-1979 to fall in line with the payments made by the Central Government to its pensioners which was under a similar scheme. Over the passage of time, it was felt that the existing procedures needed to be considerably simplified so that the pensioners are not put to undue hardships in getting their pension payments. Besides, the Government of Goa, has recently introduced a scheme for payment of pension to the pensioners of Government aided schools, pensioners of Goa University and its affiliated colleges and pensioners of Goa Board of Secondary and Higher Education from the Consolidated Fund of the Goa State. The present simplified pension payment procedure, has been evolved on the lines of the Revised Scheme by Government of India for payment of pension to Central Government Civil Pensioners through Public Sector Banks and is intended to cover also the above additional categories of pensioners paid by the Government of Goa. The Scheme is also intended to cover the pensioners of other States/Union Territories who are drawing their pension through Treasury Offices/Sub-Treasury Offices in Goa, and will be operated on reciprocal basis.

With the simplification of the procedure and introduction of the Revised Scheme, more pensioners will be seeking to have the pension payment through Banks, thereby saving them from the trouble of having to take their turns in the long queues in the Treasury Offices/Sub-Treasury Offices and accredited Banks to collect their pension.

Place: Panaji.

Order
12/6/67-Fin(R&C)

Whereas the Scheme for payment of pension to the pensioners of the Union territory of Goa, Daman and Diu through Public Sector Banks was initially introduced with effect from 1-11-1979 to fall in line with the payments made by the Central Government to its pensioners which was made under a similar Scheme.

And whereas in view of certain modifications introduced in the Central Treasury Rules involving procedural and other changes and conferment of Statehood to the District of Goa by delinking the two overland territories of Daman and Diu, it is expedient and necessary to make the Scheme more comprehensive so that all the changes/modifications are incorporated in the Scheme.

Now, therefore the Government of Goa hereby evolves the present simplified procedure on the lines of the revised Scheme introduced by the Government of India for payment of pensions to Central Civil Pensioners through Public Sector Banks and is intended to cover the pensioners as indicated in para 3 of the Scheme. The pensioners of the Union Territory administration of Daman and Diu will not be covered by the revised Scheme.

The Scheme shall cover the pensioners of other States/Union territories who are drawing their pension through Treasury Officer/Sub-Treasury Offices in Goa and will be operated on reciprocal basis.

(iv) The pensioner has to furnish other certificates viz. non-employment/re-employment certificate, Non-marriage/Non-re-marriage certificate as prescribed in the pension scheme.

(v) The paying branches will credit the amount of pension due every month to the Non-Resident Ordinary Account of the pensioner.

(vi) Withdrawals from the Non-Resident Ordinary Accounts will be governed by the instructions contained in the Exchange Control Manual and the paying branch should allow the withdrawals accordingly.

(vii) Pension credited to the pensioner's Non-Resident Ordinary Account will not be allowed to be repatriated abroad.

(viii) The paying branch should return PPOs of such Non-Resident Indian pensioners who are drawing pension from them and are unable to furnish the prescribed life certificate to the pension sanctioning authority for arranging future payments to them.

(ix) The change in the citizenship by any Non-Resident Indian pensioner will not affect his entitlement to the pension.
17. PAYMENT OF RELIEF TO PENSIONERS:

17.1. Whenever any additional relief on pensions is sanctioned by Government, an intimation to this effect will be sent by Directorate of Accounts, Panaji, to the authorised representative (by name) of each nominated Public Sector Bank at the address given by the latter. Thereafter it shall be the responsibility of the Banks to collect through their representatives, the required number of copies (to be intimated in advance) of the sanction orders (alongwith the ready-reckoner relating thereto) from Directorate of Accounts, Panaji, and send them immediately to their respective Paying Branch within ten days, for implementation. Each Paying Branch will promptly determine the revised rates of relief on pensions payable to the Pensioners under its payment control. The calculations of these rates applicable to individual pensioners would be made as in Annexure VII, and they will be noted in disburser’s portion of the PPOs alongwith the date(s) from which relief would take effect, under attestation by the authorised officer of the Paying Bank before commencing payment of relief at the revised rates and/or payment of arrears, if any, due to the pensioners on this Account. Please also see para 12.16 supra for note in pensioner's half of PPO.

17.2. In the case of pensioners (including family pensioners) who are re-employed in a Department/Office of Central or State Government or a Union Territory or in a Company/Corporation/Undertaking or Autonomous Body or Registered Society of Central or State Government or Union Territory or in a Nationalised Bank including Reserve Bank of India and State Bank of India or in a Local Fund, payment of relief will remain suspended during the period of re-employment/employment. After the spell of re-employment/employment ceases, the payment of relief will be resumed by the Bank. See also para 15.3 supra. (Certificate of non-employment/re-employment/employment).

17.3. Each Link Branch will be responsible for ensuring that:

a) copies of the orders sanctioning additional relief have actually been received by their Paying Branches
b) payment of additional relief of the revised rates to the pensioners has been commenced by them without any undue delay.

18. COMMUTATION OF PENSION

18.1. If the amount of pension is partly commuted in any case, the lumpsum payment thus becoming due would be made on receipt of an authorisation from the Deputy Director of Accounts/PA-I Section, Directorate of Accounts, Panaji, either on the PPO itself or through a separate authority letter. The payment authority will be communicated to the concerned Paying Branch through Link Branch in the usual manner, as indicated in the relevant paragraphs of the scheme. The Paying Branch on its receipt, will arrange immediate payment of the amount payable by crediting the same to the account opened by the pensioner for payment of pension, under intimation to the pensioner.

18.2. While making payment, the Paying Branch will:

i) enter the date of commutation i.e., the date on which the amount of commuted value of pension has actually been credited to the pensioner's account, the reduced amount of pension, and the date from which the reduced pension is payable i.e. the date on which the lumpsum amount has actually been credited to the pensioner's account, in the disburser's portion of the PPO. (as well as in the pensioner's portion of the PPO at the earliest opportunity) under its attestation. In cases where separate authority letter has been received, the number and date of that letter will also be noted as authority for the payment;

ii) intimate Directorate of Accounts, Panaji, (through the Link Branch), the date on which the payment of commuted portion of pension is credited to the pensioner’s account and the date from which the payment of reduced pension has commenced i.e. the date on which lumpsum amount of commutation has actually been credited to the
pensioner’s account. The Link Branch will also make appropriate entries in its record i.e. Index Register, etc. on the basis of such intimation.

18.3. For the purpose of obtaining reimbursement etc., the payment made will be included in the relevant payment scroll and the relevant entry will be authenticated quoting in the ‘Remarks’ column of the scroll, the number and date of the payment authority. Please also see para 14.2 supra for adjustment of excess reimbursements.

REVISION OF PENSION

19.1 In cases where the amount of pension payable is revised for any reason other than revision of family pension and basic pension in accordance with standing instructions in the Pension Payment Orders, payments at the revised rates, including arrears, if any, may be arranged in the following manner:

a) On receipt of an amendment letter from Deputy Director of Accounts/PA-I Section, Directorate of Accounts, Panaji, indicating (i) the revised rates of pension and relief due thereon and (ii) the date(s) from which the revised rate is effective, the Link Branch of the concerned Public Sector Bank will transmit the letter urgently to the concerned Paying Branch under advice to the pensioner after subjecting the amendment letter to the requisite verification and after making necessary correction in the Index Register of Pension Payments (Annexure II) maintained by the Link Branch. The Paying Branch will, on receipt of the amendment letter, carry out the requisite corrections on both the halves of the affected PPO, under attestation by the Branch Manager or In-charge, quoting thereon as authority the letter received from Directorate of Accounts, Panaji. The pensioner’s half of the PPO will be obtained by the Paying Branch from the pensioner for making these corrections. Please also see para 12.16 supra for note in pensioner’s half of PPO. Simultaneously, a note to the
effect that necessary corrections have been made in both the halves of the PPO will also be made on the amendment letter.

b) Before making payment, the Paying Branch will draw up a 'due and drawn' statement of pension and relief due thereon, in form as in Annexure VIII. Further action to pay the pension and the dearness relief at the revised rates based on the amended PPO, from the date the revision takes effect, along with arrears, if any, will then be taken by the Paying Branch.

c) The additional amount of Death/Retirement Gratuity, if any, payable due to revision of pensionary benefits (if not directly paid by the Treasury Officer) might also be authorised likewise for payment by the Paying Branch through the amendment letter. The amount of overpaid relief, if any, shall be adjusted to the extent possible from the additional amount of Death/Retirement Gratuity. The balance of overpayment, if any, would be recovered from the future payment of the reduced amount of relief due to the revised pension. If however, after adjusting all overpaid amounts from the additional Death/Retirement Gratuity payable there is still any balance of Death/Retirement Gratuity at credit of the pensioners it shall be paid to the pensioner and note of this payment kept in Col. 5 of the Register of Payment of Pensions (Annexure V). As gratuity payments are debitable to a separate head of account, they are required to be shown in a separate bank scroll as in the form prescribed in Annexure V(a).

d) An account of the 'recoveries made on account of excess payment of graded relief (whether by adjusting it against the amount of additional gratuity, or from further payments of graded relief due on the revised pension) will be maintained in the 'Remarks' column of the Register of Payment of Pension (Annexure V).
20. ARREARS OF PENSION:

20.1 In cases other than those in which arrears of pension are due to the death of the pensioner, if the pension has not been credited by the Bank, to the account of a pensioner for any reason for a period exceeding one year, as for example, for want of a life certificate, details thereof and reasons for not crediting the pension, if known, shall be communicated to the PA- I Section, Directorate of Accounts, Panaji, through the Link Branch by means of a report sent half-yearly on 1st April and 1st October each year under Rule 371 of the Central Government Compilation of the Treasury Rules, (CTRs), Volume I.

20.2. The arrears on the above account shall be paid by the Paying Branch only on receipt of sanction of competent authority (as specified in rule 369 of CTRs), which will be obtained by the Directorate of Accounts, Panaji, on receipt of intimation through the Link Branch that the particular payment shown as outstanding in the half-yearly return(s) has been claimed by or on behalf of the concerned pensioner. For this purpose, the number and date of the letter with which the half-yearly report was sent shall be indicated by the Paying Branch. However, if the arrears do not exceed Rs. 10,000/- and do not involve the first payment of pension, and if they have arisen due to late submission of the prescribed certificate(s) by the pensioner, they may be paid by the Paying Branch after obtaining specific orders of the Manager/Officer-in-charge who would sanction the payment after personally satisfying himself that the amount payable is actually due, the certificate(s) furnished has/have been duly countersigned, and the claim has remained undrawn due to unavoidable reasons. Such payments will also be mentioned prominently in the payment scrolls, quoting particulars of the latest relevant half-yearly return through which non-drawal had been reported.

20.3 If, in such cases, pension has not been credited to the account of the pensioner for a period of 3 years, the disburser's portion of the PPO should also be returned to Directorate of Accounts, Panaji, through Link Branch, with suitable endorsement thereon, specifying the date upto which the pension was credited in the pensioner's account. Payment
of arrears in such cases will be made as also payment of current pension resumed by the Paying Branch only on receipt back of the PPO with a sanction of the competent authority through the PA-I Section, Directorate of Accounts, Panaji/Link Branch.

21. ARREARS OF PENSION ON THE DEATH OF PENSIONER AND MANNER OF DISPOSAL OF SUCH PPO:

21.1. Pension shall be drawn for the day of the pensioner’s death irrespective of the time of death. On receipt of a death certificate in respect of a pensioner, the Paying Branch will work out the amount of arrears due to the deceased or over-payments, if any, made to him. It will take action immediately to recover the over-payments from the deceased’s account in terms of the undertaking obtained by the Paying Branch from the pensioner at the time of commencement of pension as provided in para 12.3 supra. Payment of arrears will be made to the heir(s) of the deceased pensioner, if the deceased pensioner had not submitted any nomination under the procedure envisaged in Annexure XV. In case a valid nomination by the deceased pensioner exists, payment will be made to the nominee in accordance with the nomination. However, for payment of arrears to the heir(s) of the deceased pensioner, the Public Sector Bank after furnishing information regarding the date of pensioner’s death, amount of arrears due in respect of the deceased pensioner and particulars of claimant(s) claiming payment, and the authority, if any, in which their claim is based, will seek instructions of the Directorate of Accounts, Panaji, who will in turn, obtain the requisite sanction of the Head of Office in this regard, wherever necessary.

21.2. For payment of arrears to the nominee, he/she will be asked to apply for the same to the Paying Branch alongwith the pensioner’s half of the PPO and a receipt (duly stamped where necessary) for the amount, setting-forth the period of arrears. The Paying Branch, after verifying the fact that the payment is actually due to the deceased pensioner, and also the particulars of the nominee as given in the nomination, will make payment by a Bank Pay Order and make a suitable note on
both the halves of the PPO. The receipt of the nominee will be enclosed by the Paying Branch with the relevant payment scroll while claiming reimbursement through Link Branch.

21.3. The Paying Branch will enter the date of death of the pensioner in the disburser's portion of the PPO as well as pensioner's portion and in the register in the form as in Annexure V. The pensioner's half of PPO will then be returned to the nominee if family pension stands also authorised through the same PPO, otherwise, it will be returned to the Link Branch alongwith the disburser's half, for onward transmission to the PA-I Section, Directorate of Accounts, Panaji, who has issued the PPO for keeping the necessary note and record.

Note: The provision of this rule will apply mutatis mutandis to cases where the family pension ceases to be payable either due to death of the family pensioner, his/her re-marriage/marriage or on the pensioner attaining the maximum age prescribed in the rules.

22. FAMILY PENSION:

22.1. Paras 6 to 8 above are mutatis mutandis applicable to authorisation of family pension in respect of Government servants dying while in service. Paras 9 to 17 and 19 to 21 above are mutatis mutandis applicable to authorisation/payment of family pension in all types of cases. The PPO indicates the entitlement in respect of family pension to the widow/husband in the event of death of the pensioner. The payment of family pension at the rate, and to the person, indicated in the PPO may be commenced by the Paying Branch on receipt of a death certificate and application for family pension in the prescribed form (Annexure IX), alongwith the pensioner's half of the PPO. Before, however, the payment is actually commenced, the identity of the spouse entitled to family pension shall be verified with reference to the joint photograph, if any, affixed to the PPO and other particulars given by the claimant against Sr. Nos. 9 and 10 of the Family Pension Application Form (Annexure IX).

22.2. In case the claimant is a child, payment may be commenced after a fresh payment authority
is received from the Deputy Director of Accounts/PA-I Section, Directorate of Accounts, Panaji, through the usual channels, and identity of the beneficiary/guardian verified in the manner indicated in para 12.4.

22.3. Payment of family pension will be made by credit to savings/current account of the recipient (not a ‘joint’ or ‘either or survivor’ Account) which may be opened if the recipient doesn’t already have one. Additionally, an undertaking, similar to the one referred in para 12.3 will be obtained by the Paying Branch from the recipient before payment of family pension is commenced.

22.4. The Paying Branch will also advise the Directorate of Accounts, Panaji, through the Link Branch, the date of pensioner's death and commencement of payment of family pension for keeping the necessary note in their records.

22.5. In case the report about the death of a pensioner is received by Paying Branch first, from a source other than the widow or widower of the deceased, the Manager shall after satisfying himself about the correctness of the report, write to the family members as in Annexure X at the address given in the PPO seeking compliance with the prescribed formalities, so that payment of family pension to the entitled person(s) is commenced early.

22.6. In certain cases governed by the provisions of sub-rule (3) of rule 54 of the Central Civil Services (Pension) Rules, 1972, family pension is payable at a higher rate upto a particular date and the normal rate thereafter, relevant columns of the PPO would indicate the rates and the date upto which the higher rate is payable. A prominent note of the date from which the payment of family pension at the normal (lower) rate is to commence, should be kept in red ink in the pension ledger account, of the family pensioner by the Bank so as to enforce the change in the rate from the specified date, and avoid overpayments.
NON RE-MARRIAGE/NON-MARRIAGE CERTIFICATE:

22.7. In the case of widow recipients of family pension, no certificate of non-re-marriage is required to be furnished by her. An undertaking will, however, be obtained from the widow at the time of commencement of pension to the effect, that in the event of her re-marriage, she will report the fact of re-marriage to the pension disbursing office promptly.

22.8. In the case of other recipients of family pension (a widower or an unmarried daughter), the Certificate of non-remarriage/non-marriage in the form prescribed in Annexure VI (III) is required to be furnished by the recipient, at six-monthly (i.e. in May and November) intervals.

22.9. In cases where the son or daughter of a Government servant is suffering from any disorder or disability of mind or is physically crippled or disabled so as to render him/her unable to earn a living even after attaining the age of twenty-five years is being continued to be paid family pension beyond the maximum age-limit referred to above, under proviso to rule 54(6) of the C.C.S. (Pension) Rules, 1972, the person receiving the family pension as guardian should produce every three years, (in the month of November) a certificate from a medical officer not below the rank of Civil Surgeon to the effect that the person continues to suffer from disorder or disability of mind or continues to physically crippled or disabled. In such cases, the guardian shall be required to furnish certificate every month that (i) he or she has not started earning his/her livelihood, (ii) in case of a girl, that she has not get married.

22.10. The provisions of para 22 with the exception of para 22.6 will apply mutatis mutandis to Ex-Gratia pensioners (Refer Order No. 12-1-88-Fin (R&C) II dated 27-5-88).

23. MISCELLANEOUS (APPLICABLE TO PPOs FOR PENSIONERS AS WELL AS FAMILY PENSIONERS).

23.1. If all the cages for entering monthly payments in the disburser's/pensioner's portion of the
PPO get fully used up, the Paying Branch may add extra sheet(s) with similar columns for noting further payments. A suitable entry will be made by the Paying Branch on the PPO (disburser’s/pensioner’s portion) whenever a continuation sheet is added, specifying the number of cages on the sheet.

23.2. If both the halves of a PPO are reported to have been lost in transit due to floods, etc. before commencement of payment of pension, the Paying Branch to which the matter is reported, will address Directorate of Accounts, Panaji, through the usual channel i.e. Link Branch, requesting for issue of a duplicate PPO in favour of the concerned pensioner in terms of the provisions of rule 332-A of CTRS. Before initiating action in this behalf, the Paying Branch, will, however, verify from the register of payment of pensions (Annexure V) that no payment has already been made to the pensioner and confirm this fact to the Directorate of Accounts, Panaji, while writing for a duplicate PPO. The Paying Branch will also take the following further action before commencing payment in such cases on receipt of duplicate PPOs:

a) The fact that no payment is to be made against the Original PPO will be prominently mentioned in the ‘Remarks’ column of the Register of Payment of Pension (Annexure V) while noting therein the particulars of the duplicate PPO.

b) A declaration from the pensioner to the effect that he has not already received any payment against the Original PPO; and also an undertaking from him to the effect that he will surrender to the Paying Branch the Original PPO, if traced out later, and will not claim any payment on its strength, will be obtained from the pensioner and kept on their record.

c) It will ensure that no payment has been made to the pensioner on the basis of Original PPO during the period following the report made to the Directorate of Accounts, Panaji, as regards its reported loss.
23.3. In cases in which pensioner’s portion of the PPO is lost, worn or torn and it is sought to be renewed, the Paying Branch will forward the request of the pensioner, along with both halves/disburser’s half of the PPO, to the Directorate of Accounts, Panaji, through the Link Branch for renewal in terms of the provisions of rules 331-332 of CTRs. In order that payment of pension is not unnecessarily delayed in such cases in the absence of disburser’s portion of the PPO, care may be taken to send the connected documents to the Directorate of Accounts, Panaji, immediately after payment for a month is made, so as to leave sufficient time with Directorate of Accounts, Panaji, to do the needful and return the documents by the time payment for the next month becomes due. The Directorate of Accounts, Panaji, will also be reminded by the Paying Branch in cases where the return of the documents is unduly delayed.

23.4. As soon as the Pension/Family pension is commenced to the Pensioner/Family pensioner as indicated in para 22.1 supra, the pension disbursing authority shall obtain a nomination in Form Annexure XVI, in triplicate, in terms of procedure prescribed in Annexure XV. The pension disbursing authority shall get the particulars of the pensioner, as mentioned in Annexure XVI verified with reference to available records and return to the pensioner after obtaining a receipt thereof, the duplicate copy of the nomination in Annexure XVI duly attested by him or an Officer authorised by him in this behalf. The triplicate copy shall be sent to the Department from where the pensioner/deceased pensioner had retired, while the original copy shall be kept on record by the Paying Branch.

EXTENSION OF THE SCHEME TO THE PENSIONERS OF OTHER STATE:

24.1. The Scope of the Scheme is extended to cover the pensioners, including recipients of family pension of other State Governments/Union Terri-
tory Administrations who draw their pension from Treasury Offices/Sub-Treasury Offices, situated in Goa, subject to the following conditions:

i) That the scheme for payment of pension through Public Sector Banks is in force both in the parent State and the State in which the pension is to be drawn, and the Scheme in other States is extended to cover, pensioners of Goa Government drawing pension in that State.

iv) That the payments, when made, will be distinctly shown by the Banks in the separate payment scrolls for each State Government to whom the payment is debitable. The payment will, however, be initially taken against the cash balances of the State Government in which the Paying Branch of the Bank is situated.

v) That the payment made on behalf of other State Governments and Union Territory Administrations will be consolidated by the Director of Accounts, Panaji, with reference to the payment scrolls received by him through concerned District Treasuries. The Director of Accounts, Panaji, will also be responsible for obtaining reimbursement of the amount so paid from the concerned Accountant General.

25. POST PAYMENT CHECKS:

25.1. The Directorate of Accounts, Panaji, will be responsible for account of the pensions including Family Pensions/Ex-Gratia Pensions to the State Government Pensioners and their families and will also conduct post-check of payments. Any irregularities noticed during the course of the post-
-check will be communicated to the Paying Branch, who will be responsible for carrying out necessary rectifications as per guidelines issued by the Reserve Bank of India. In cases where the Banks find that instructions received through PPO/Amendment letters to PPO/ready-reckoner to D.A. relief are found to be vague or liable to different interpretations, the Link Branches/Paying Branches may seek the advice of PA-I Section, Directorate of Accounts, Panaji, through the quickest mode of communication so as to avoid inconvenience to the pensioners in crediting the amounts to their accounts promptly.

25.2. The Pensionary Payments, Accounts, Records and Registers maintained in the Branches of Public Sector Banks making pension payments and also in the Link Branches shall be open to audit by the Comptroller and Auditor General of India or any person appointed by him in this regard.

ANNEXURE - XIII

(See para 4.3)

An extract of Instructions issued by R. B. I. to the Managing Directors of State Bank of India and its Associate Banks and General Managers of Nationalised Banks in connection with the extension of facility of allowing cheque books and acceptance of standing instructions for transfer of funds from the accounts of Central Civil pensioners drawing pension under the Scheme for payment of Pensions through Public Sector Banks is reproduced below:

(I) ACCEPTANCE OF STANDING INSTRUCTIONS FROM THE PENSIONERS

The matter has been examined by us in consultation with the Government of India, Ministry of Finance, who have advised that acceptance of standing instructions for transfer of funds etc. from the pensioner's accounts would not be inconsistent with the scheme and that they see no objection to public sector banks dealing with such requests from pensioners at their discretion. In exercising such discretion banks may bear in mind the fact that in view of the bonds of indemnity executed by them under the scheme, they will have to compensate the Government in respect of any overpayment or wrong payment.

(II) EXTENDING CHEQUE BOOK FACILITY TO PENSIONERS

(a) Once the amount of pension and/or other pensionary benefit is credited to a pensioner's individual savings/current account, all the operations in the account will be governed by general banking rules and practices. Therefore, withdrawals from the account can be permitted by means of cheque/withdrawal slip as in the case of other account holders. Request for issue of cheque book from the pensioners may therefore be considered by banks on merit of each case and subject to the rules and regulations framed by individual bank in this regard. We feel that withdrawal by means of cheque, if permitted, will be of immense help to old pensioners.

(b) It is also not necessary to make it compulsory for a pensioner to come personally to bank's office to withdraw the amount of his pension every month, when other account holders have the option to withdraw money from their accounts by means of withdrawals slip/cheques through bearer.
