Access to CRA system

Version 1.0
This SOP defines the process of login functionality for DDOs to access the Central Recordkeeping Agency (CRA) system (www.cra-nsdl.com) to view the details of their underlying subscribers. The DDOs can now login the CRA system using User ID & I-PIN (password). The registration number allotted by CRA to the DDOs followed by ‘00’ to be used as User ID. The DDOs can generate their I-PIN by capturing a request through instant reset option in the CRA system (www.cra-nsdl.com) and getting it authorized by their associated Nodal Office (PAOs/DTOs). Once the I-PIN reset request is authorized by the associated Nodal Office, the I-PIN generated by the DDO gets activated. This document explains the detailed process for the DDOs to access the CRA system using their User ID and password.

The following ‘Options’ are available to the DDOs in CRA system:

- **Views:**
  - A. Subscriber Details
  - B. Subscriber List
  - C. Statement of Transaction
  - D. e-PRAN

- **Grievance:**
  - A. Log Grievance Request
  - B. Grievance Status View
  - C. Provide Feedback for Grievances raised against PAO

**Pre-requisite for DDO login:**

- A. The DDO should be registered with CRA and should have obtained the DDO Registration Number from CRA.

- B. The status of the DDO should be ‘Active’ in CRA system.
Detailed process flow

1. The DDOs are required to access CRA website (www.cra-nsdl.com) and click on the hyperlink “Forgot Password” on home page to generate instant I-PIN. (Please refer Figure 1 below).
